

Privacy Policy

What personal information do we collect from the people that visit our blog or website?

When registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number or any other details to help us in improvising your experience on our website.

When do we collect information?

We collect information from you when you register on our website to respond to a survey, fill out a form, or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To improve our website in order to better serve you.
- To administer a promotion, survey or other site feature.
- To follow up with them after correspondence (live chat, email or phone inquiries)

How do we protect your information?

- We do not use vulnerability scanning and/or scanning to PCI standards.
- We use regular Malware Scanning.

We use cookies to:

- Understand and save user's preferences for future visits.
- Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.
- You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If users disable cookies in their browser:

If you turn cookies off, some features will be disabled. Some of the features that make your site experience more efficient and may not function properly. However, you will still be able to place orders User Login, Booking of any Services over the telephone by contacting customer service.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in India and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information. In order to be in line with Fair Information Practices we will take the following responsive action.

We collect your email address in order to:

Send information, respond to inquiries, and/or other requests or questions. Process orders and to send information and updates pertaining to admissions. Send you additional information related to your admission to our mailing list or continue to send emails to our clients after the registration process done.
